DEPARTMENT OF PHYSICS

Name of the Programme : Memorandum of Understanding (MoU) Signing Ceremony with Village Technology School & Special Session on "Robotics and AI: Career Guidance for the Future"

Date : 17.09.2025

Venue : Board Room (MoU Signing) & II MBA Hall (Special Session)

Time : 2.00 PM

Objective of the Programme :

- To establish collaboration with Village Technology School for academic and industrial exposure.
- To provide students with guidance on emerging career opportunities in Robotics and Artificial Intelligence.
- To inspire students towards innovation, creativity, and future skill development.

The Department of Physics organized a Memorandum of Understanding (MoU) Signing Ceremony with Village Technology School on 17.09.2025 at 2.00 p.m. in the Board Room. The MoU aimed to strengthen academic-industrial collaboration and provide opportunities for students in advanced technological fields.

Following the signing, a special session on "Robotics and AI: Career Guidance for the Future" was conducted by Mr. Balaji Thiru., B.E, M.Tech., (Ph.D.), Inventor, Author, and Founder of Village Technology School, at the II MBA Hall. During his session, he explained the fundamentals of Robotics and Artificial Intelligence in simple terms and shared real-world examples of how these technologies are revolutionizing industries such as healthcare, agriculture, and manufacturing. He highlighted the wide career opportunities available for students in the fields of Robotics, Machine Learning, and AI, while stressing the importance of continuous learning, problem-solving skills, and innovative thinking to achieve success in this domain. He also encouraged students to make use of the MoU collaboration for internships, training, and hands-on projects with Village Technology School.

Students actively interacted with the facilitator by asking questions about career paths, higher studies, and skill requirements in the area of AI and Robotics. The lively discussion created an enthusiastic and engaging learning environment.

No. of Participants : 111 Students & 4 Faculty members

Outcome of the Programme :

The MoU has opened avenues for hands-on training, internships, and project-based learning with Village Technology School. The session enhanced students' knowledge of Robotics and AI, inspiring them towards research, innovation, and entrepreneurship, while strengthening their employability and technical skills.
