• RECRUITMENT PROCESS

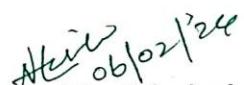

- **FACE TO FACE INTERVIEW:** The candidates are requested to give a brief synopsis of their educational background and work history. The main goals of this HR interview were to evaluate the candidate's personality, communication abilities, and general manner, with an emphasis on how well they would fit in with the company's work culture. The candidate's motivation for applying to the organization, their career objectives, and how well the particular post fit their aims were all questioned. Inquiries were also made on the candidate's compatibility with the corporate culture in terms of work style, values, and personality.
- **STUDENTS PARTICIPATION:** The recruitment process witnessed enthusiastic engagement from students who were eager to demonstrate their skills and interact with

recruiters from Sutherland. Numerous students dedicated time and effort to thorough interview preparation, showcasing their commitment to securing a position within the company.

- **JOB OFFERS:** A number of 08 students received employment offers, and additional candidates progressed to subsequent interview rounds. The drive effectively enhanced immediate job prospects for our graduating students.
