Date: 30/7/2024

Venue: UG Hall No: 8

Time: 11.30 a.m.

Guest detail: Mr. K. Vasudevan
President -Vijnana Bharati,
Erode District, Tamil Nadu

Objective of the Programme:

- To educate students about the processes involved in the formation of stars and planets, enhancing their understanding of cosmic evolution.

The Student Development Programme on "Astro Origins: The Birth of Stars and Earth" was held on July 30, 2024, featuring Mr. K. Vasudevan, President of Vijnana Bharati, Erode District, Tamil Nadu, as the keynote speaker. The event, which commenced at 11:30 am, explored the fascinating processes behind the formation of stars and planets. Mr. Vasudevan provided insightful perspectives on cosmic evolution, connecting these concepts to both ancient wisdom and modern scientific advancements. The session was well-received, sparking curiosity and interest among the participants.

No. of Beneficiaries: 34 Students and 6 Faculty members

Outcome of the Programme:

- Students gained a deeper appreciation of the origins of celestial bodies, linking scientific concepts with broader cosmic perspectives, and fostering increased interest in astronomy.
