

### *Policy on Consultancy*

- ❖ All departments have to develop their expertise so as to undertake consultancy for the benefit of both consultants (departments to sharpen their talents) and clients (for the effective utilization of resources to improve productivity).
- ❖ Consultancy assignments can be taken up on behalf of commercial establishments, non-governmental organizations, educational institutions and professionals.
- ❖ Consultancy assignments can be taken up by the whole department or a group of faculty members from a department/cluster of departments or by an individual teacher depending upon the nature of assignment.
- ❖ Before undertaking consultancy the terms and conditions agreed upon by the client are to be placed before principal for approval.
- ❖ For executing the task of consultancy, the consultant can avail the facilities available in the department.
- ❖ The proceeds in the form of revenue from consultancy are to be shared between the consultant and the college in the ratio of 60:40.
